

One-year grants for initiating the PhD studies in Mathematics at the UAM

The Department of Mathematics of UAM is in position to offer a small number of grants to students wishing to initiate their PhD studies in the Department of Mathematics of the UAM.

Duration: 10 months (September 2012-June 2013)

Funding: 1.000 € per month plus exemption of paying tuition fees.

Aims: The goal of these grants is to support students in the first year of their PhD project.

Eligibility: Applicants should be already in possession of a higher academic degree (i.e. Master's degree or equivalent). Graduate students currently enrolled in a such degree and expecting to finish by September 2012 are also welcome to apply.

Profile: These grants are aimed at students with a good academic record in their Graduate and Master studies in Mathematics. Applicants must include a letter from a faculty member at Department of Mathematics of the UAM that includes a proposed research project for the duration of the grant.

Selection procedure: The Comisión de Posgrado of the Department of Mathematics of UAM will be in charge of the selection of candidates on the basis of academic excellence.

Application Deadlines: Applications for these grants should be submitted between March 15th and May 20th 2012 to the following e-mail address: coordinador.master.matematicas@uam.es (please indicate BECAS INICIO DOCTORADO as subject). The appropriate application form can be found in the Department's website www.uam.es/matematicas.

Decision: The final decision will be announced on May 31st 2012 in the website of the Department of Mathematics www.uam.es/matematicas. Within 15 days of this announcement the successful candidates must apply for admission in the PhD Programme in Mathematics through the on-line application tool provided by the [Centro de Estudios de Posgrado](#) of the UAM.
