**Final decision on 5 grants for the Master's Program in Pure and Applied Mathematics, academic year 2012-13.**

The Committee for Graduate studies of the Department of Mathematics of the UAM has considered the applications for **5 grants to study in our Master's Program in Pure and Applied Mathematics** during the academic year 2012-13, and has decided the following:

Upon considering the academic records of the applicants, we have decided to award the grants to the following students (listed in alphabetical order):

- Daniel Álvarez
- Kirill Batalkin
- Daniel Estévez
- Álvaro del Pino
- Teresa Rodrigo

In the event that one or more of the students in the above list decline to accept the grant or fail to fulfill the requirements for the acceptance on time, the grants will be reassigned to the following students (listed in order of precedence):

1. Carlos Pastor
2. David Beltrán
3. Giuseppe Negro
4. Carlos Fernández
5. Elcin Sarikaya
6. Elías Cancela
7. Coralina Hernández
8. María Elisa Valdés

Candidates in this second group will be contacted in the event that they become eligible.

The selected candidates must send a letter of acceptance to the "Gestor del Máster" [coordinador.master.matematicas@uam.es](mailto:coordinador.master.matematicas@uam.es) and apply for admission in the Master in Mathematics and Applications of the UAM through the on-line application tool provided by the Centro de Estudios de Posgrado of the UAM within 15 days.
