Final decision on 5 grants for the Master's Program in Pure and Applied Mathematics, academic year 2013-14.

The Committee for Graduate studies of the Department of Mathematics of the UAM has considered the applications for **5 grants to study in our Master's Program in Pure and Applied Mathematics** during the academic year 2013-14, and has decided the following:

Upon considering the academic records of the applicants, we have decided to award the grants to the following students (listed in alphabetical order):

- Alfaya Sánchez, David
- Ayuso Gallego, Francisco Javier
- Elduque Laburta, Eva
- Herradón Cueto, Moisés
- Rojo Carulli, Juan Ángel

In the event that one or more of the students in the above list decline to accept the grant or fail to fulfill the requirements for the acceptance on time, the grants will be reassigned to the following students (listed in order of precedence):

1. Celis Martínez, Alonso Lenin
2. Prieto Prieto, Enrique
3. Campoy García, Rubén
4. Aguado García, Pablo
5. Arnaiz Solórzano, Víctor
6. Mateo Campo, Clara
7. Uria Albizuri, Jone
8. Ibañez Guerenabarrena, Aitziber
9. Volpe Bello, Raúl César

Candidates in this second group will be contacted in the event that they become eligible.

Within 15 days of this announcement the successful applicants must send a letter of acceptance to the coordinator of the Master Programme, or an email with the scanned letter to coordinador.master.matematicas@uam.es.

Selected candidates must also apply for admission in the Master in Mathematics and Applications of the UAM through the on-line application tool provided by the Centro de Estudios de Posgrado of the UAM, when the enrollment period opens.
