***FELLOWSHIPS AND REIMBURSEMENT OF TUITION FEES FOR MASTER'S STUDIES IN
PURE AND APPLIED MATHEMATICS AT UAM***

The Department of Mathematics offers up to 10 fellowships and grants to cover tuition for the Master's Program in Pure and Applied Mathematics at Universidad Autónoma de Madrid, under the following conditions:

Funding of 5 fellowships: Recipients will receive a monthly payment of €1000 from October 1, 2015 to September 30, 2016 in addition to a tuition waiver. The funding will be sponsored by the budget action 541E601 "Programas de Posgrado de Excelencia Internacional" of Universidad Autónoma de Madrid.

In addition to this, the Mathematics Department will offer financial assistance to reimburse the tuition fees for up to 5 top-placed candidates on the reserve list. Traveling expenses will not be covered but students in special circumstances may contact the Master's Program Coordinator at coordinador.master.matematicas@uam.es to apply for partial funding for their travel.

Duration: 12 months (October 2015 - September 2016).

Aims and conditions: Recipients must enroll in Master's Degree Program in Pure and Applied Mathematics in the academic year 2015-2016.

Eligibility: Applicants are required to have an undergraduate degree in Mathematics, or to be in the last year of their undergraduate studies. In the latter case, these studies must be completed before the beginning of the Master's courses at UAM (that is, before September of 2015).

Profile: The fellowships are aimed at students in Mathematics with an excellent academic record. Applicants should include the list of the courses taken during their undergraduate studies, together with the grades obtained. A reference letter from a faculty member of their Departments is also advisable.

Selection procedure: The Graduate Studies Committee (*Comisión de Posgrado*) of the Department of Mathematics of UAM will be in charge of the selection of candidates on the basis of their academic record.

Application Deadlines: Applications for these fellowships should be submitted between February 25, 2015 and April 17, 2015 to the following e-mail address: coordinador.master.matematicas@uam.es (please indicate "application - master's degree fellowship" as subject). The application form can be downloaded from the Department's homepage: www.uam.es/matematicas.

Decision: The results of the contest will be published on April 24, 2015 on the Department's website www.uam.es/matematicas. The successful applicants are required to send (within 15 days after the publication of results) a letter of acceptance to the Master's Program coordinator, or alternatively an e-mail with the scanned letter to coordinador.master.matematicas@uam.es. They must also apply for admission to the Master's Program in Pure and Applied Mathematics at UAM using the online application tool provided by *Centro de Estudios de Posgrado* of UAM.

Appeals: Allegations must be submitted within 10 days from the publication of the results of the contest. They should be sent by e-mail to the same address coordinador.master.matematicas@uam.es indicating "appeal - master's degree fellowship" as subject.

Dragan Vukotic

Coordinador of Master's Degree studies in Pure and Applied Mathematics, UAM
